- Average speed of 80% with minimum speed of 30% at 80% reliability.
- We want to give all Padeco customers a fair opportunity to enjoy our network. Hence, the implementation of a Fair Use Policy that's designed to reduce the speeds of users responsible for generating large volumes of traffic on the network, which greatly impacts the service we offer to other paying customers. Users (account for less than 3%) likely to be affected by the Fair Use Policy are those who use peer-to-peer applications to download large files, use their non-commercial subscription for commercial purposes, or stream videos heavily on a daily basis. These activities use up a huge portion of network bandwidth, affecting customers like you.
- Speed tests are best conducted wired. There should be no concurrent users and activity running.
- Wi-Fi coverage inside your house is affected by wall thickness, line of sight and distance to router (the closer the better)
- Our Tech Support is 24/7
- The modem sticker includes the basic troubleshooting guide and support contact information. Do not detach the sticker.
- The router username and password will be provided upon activation of the account
- To prevent configuration issues, do not attempt to move the equipment once it has been installed or change cable and port pairing
- It is recommended to connect to an AVR to protect the circuitry of your modem
- Free drop fiber is limited to 200 meters
- There is a lock-in/contract period of 24 months, pre-termination will be subject to payment of the remaining months
- Application form terms and conditions apply (read details at the back).
